

To whom it may concern

I had the pleasure to have Mirza in my team in my capacity as a Managing Directors in [DropeBnB](#), a Property Management company based in Athens. Mirza was a member of the marketing department, responsible for market research & analysis, social media management and other marketing activities .

Mirza has been an integral member of the team of DropeBnB, which has been supporting us in multitude activities. He is a dedicated and passionate professional with high standards in regard to his work, and he consistently delivered great results, with integrity and in a personable way. He is great in finding new trends in the digital era while trying to find ways to implement them for our clients.

In conclusion, I would highly recommend Mirza. If his performance on my team is any indication of how he will succeed, Mirza will be a positive addition to your team.
